

# Westergas GPS Tour

Tour of the month July/ August:

# CREATIVE HOTHOUSE

The Creative Hothouse shows you around the creative hotspots of the Westergasfabriek. The owners guide you through their working space and tell about their business.  
Language: English  
Style: Sightseeing, audio and video

Installation on the spot

1. To install 7scenes directly, go with your mobile browser to <http://www.7scenes.com/get-started> and download the free application.
2. Follow the installation instructions on your phone.
3. Log in by using your username and password and you can use all available tours.

*Westergasfabriek*
